## *From President of Malaysia Canoe Association*

---

*Dear Athletes, Officials, and Esteemed Guests,*

*Selamat Datang*

On behalf of the **Malaysia Canoe Association**, it is with great pleasure and pride that we welcome you to the **Asia Canoe Polo Championship 2025** in **Putrajaya, Malaysia**. We are honored to host this prestigious event once again, bringing together top canoe polo teams from across Asia to compete at the highest level.

This championship holds special significance for us, as it marks the **third time Malaysia has been entrusted with hosting an Asia Championship**. Our journey began with the **2005 Asia Canoe Championship** in Putrajaya, followed by the **2017 Asia Canoe Polo Championship** in Johor. These past experiences have strengthened our passion and commitment to fostering the growth of canoe polo in Asia.

We are confident that Putrajaya, with its world-class facilities and stunning waterfront venues, will provide an excellent setting for both thrilling competition and meaningful camaraderie among athletes and participants. This event is not only a celebration of skill and sportsmanship but also a platform to unite our canoeing community and promote the spirit of fair play and friendship.

We extend our heartfelt gratitude to the **Asian Canoe Confederation**, our dedicated partners, sponsors, and volunteers, whose unwavering support has made this event possible. To all teams, we wish you an exciting and successful championship—may your hard work and dedication shine through in every match.

We look forward to welcoming you to **Putrajaya, Malaysia**, for an unforgettable experience at the **Asia Canoe Polo Championship 2025**.

Best regards,

President of Malaysia Canoe Association.

Mhd Zaini Bin Mohd Mukhtar

## ABOUT PUTRAJAYA FEDERAL TERRITORY, MALAYSIA

Putrajaya, city and federal territory of Malaysia, located in west-central Peninsular Malaysia. It is situated 15 miles (30 km) south of the capital, Kuala Lumpur, and serves as the country's administrative centre. Putrajaya is Malaysia's administrative capital, officially declared a Federal Territory in 2001. It was developed to ease congestion in Kuala Lumpur and now houses most of the country's government offices, including the Prime Minister's Office at Perdana Putra. The city is known for its modern yet elegant architecture, vast green spaces, and impressive bridges spanning its artificial lake.

The Putrajaya Lake, a 650-hectare man-made lake, is designed to act as a natural cooling system for the city and also for recreation, fishing, water sports and water transport. The lake and its surrounding areas form Putrajaya's most popular resource for informal recreation as a waterfront city. The lake has an average depth of 6.60 metres and a catchment area of 50.9 square kilometres. The well-known Putra Mosque (Pink Mosque), Tuanku Mizan Zainal Abidin Mosque (Iron Mosque), and Millennium Monument (Malaysia) are located on its shores.

## WEATHER

Similar to Malaysia, Putrajaya's climate is typically tropical with hot and humid conditions throughout the year. Over the course of the year, the temperature typically varies from 23°C to 32°C (74°F to 91°F). The best times of year to visit Putrajaya for hot-weather activities are from early June to early October and from mid December to mid March.
