BIC	WELADE8LXXX

training

For training prior to the competition to schedule your session, please contact Michael Trummer (michael.trummer@teamkanuslalom.de).

Training fee: 20 € per session

There will be training sessions for slalom and Kayak cross from Saturday 4th April 2026 to Thursday 9th April 2026. The exact schedule will be announced shortly at <http://trainingszeiten.kanuslalom.info>

competition & venue

Entries

Entries must be submitted via SDP (Sport Data System) and require approval from National Federation (NF). For assistance please contact your National Federation.

Nominal entries deadline: 01.04.2026

provisional schedule

see attached

different rules for short slalom (side event)

As there are no specific rules for slalom sprint determined by the ICF we will define them here in before:

1. The general rules of the ICF also apply for slalom sprint race but with the following deviations:
2. course length: ~80-120m (start line to middle of slalom course)
3. number of gates: 8-12 | 2 upstream gates
4. expected run time: 40-60 seconds
5. no demo run in before

As planned in our provisional schedule there will be only one single run in slalom sprint. Depending on the amount of participants we could offer a final run if there is enough time for.

Useful information

Accommodation & logistics support

Accommodation options vary in quality and price. Please contact us to assist you in finding the best solution for your needs.

How to get there

Markkleeberg is a town in the south of Leipzig in Saxony, Germany. It is located about 10 kilometers south of Leipzig and belongs to the Leipzig district. The city is well connected to Leipzig by public transport and road links.

The weather in Spring (March to May) is mild with rising temperatures. Average temperatures range between 5°C and 15°C. It can be rainy, but sunny days are also common.

distance of airports, rail network and roads to the course

Airport Leipzig/Halle	50 km
Airport Dresden	100 km
Airport Berlin	200 km
Prague Airport	250 km
Leipzig main station	20 km
Highway (A38)	5 km

Medical support/First aid/Water Safety

The university of Leipzig hospital with 24-hour service is 10 kilometres away.

An ambulance crew will be on standby at the course daily during the competition days.

Water rescue services in the competition area will be organized during the competition days.

Medical Insurance

The Organising Committee kindly asks all participants to ensure they have medical insurance coverage. The Organizing Committee will not cover any expenses related to hospital or dental treatment.

Security at the course

All competitors and officials will have accreditation passes granting access to their designated areas. General security will be provided.

The organiser will not accept any responsibility for missing equipment or other goods.

Transport

Teams are responsible for their own transport of participants and equipment. The organiser offers logistical support to all the teams upon request. Upon request, the organiser can also arrange the transportation of equipment of accredited participants.

VISA requirements

The Organiser Committee will assist in processing immigration visa applications for all participants of the events. Further information can be found at
