SUBJECT	Competition rescheduling (lightning and thunderstorm expected)
----------------	---

Dear Participants, Team Leaders and Associated Staff,

The ICF and the HOC are currently monitoring the weather situation. Lightning, thunderstorms, and strong winds are expected this afternoon.

As the weather forecast is subject to frequent changes, the ICF and the HOC have decided to take precautionary measures and provide some flexibility for the Kayak Teams event. The start interval for the Kayak Teams event (all categories) has therefore been shortened to **00:02:00** (instead of 00:02:30).

The updated schedule is outlined below and is also available on the [2026 ICF Junior & U23 Canoe Slalom World Championships – Team Info page](#) & on the [Live Results page](#):
