Informational Bulletin & Framework Competition Program

Published February 2025

Dear Sport Friends,

we are very happy to organize the **2025 ICF Canoe Slalom World Ranking Competition** in **Prague** again (August 15 – 17). We are excited to host another event for a wide range of canoe slalom athletes. Czech canoeing is ready to welcome all National Teams for training and competition. We hope that competing on an artificial slalom course in Prague - Troja will bring you a lot of top sports results in front of famously boisterous Prague fans.

The 7th edition of this race should be as usually special – again the program **will be enriched by the new Olympic Kayak-cross discipline** and also by the **very attractive Short Slalom Race** (unofficial side event) to bring more canoe experiences to all competitors.

Here we are presenting a summary of the most important information. We are looking forward to seeing you in Prague!
