Information Bulletin #2

Final Bulletin & Competition Program

Published June 2024

Dear Sport Friends,

we are very happy to organize the **2024 ICF Canoe Slalom World Ranking Competition** in **Prague** again (August 2 – 4). We are excited to host another event for a wide range of canoe slalom athletes. Czech canoeing is ready to welcome all National Teams for training and competition. We hope that competing on an artificial slalom course in Prague - Troja will bring you a lot of top sports results in front of famously boisterous Prague fans.

The 6th edition of this race should be special, especially because of the **linking of the ranking race with the viewing of the Olympic Games in Paris** (date matching) **on the big screen in the newly opened restaurant throughout the week**. It will also be special because the competition programme **will be enriched by the new Olympic Kayak-cross discipline**.

Here we are presenting a summary of the most important information. We are looking forward to seeing you in Prague!
