CANOE TACEN
SLALOM 25

Dear canoeing friends,

We are delighted to welcome you all to Ljubljana for the 2025 ICF Canoe Slalom World Cup race, the last race before the ICF Canoe Slalom World Cup Final in Augsburg.

Last year, we successfully hosted the 2024 ECA Canoe Slalom European Championships, and in 2025, the ICF Canoe Slalom World Cup race series is returning to the rapids of the Sava River.

Tacen is a venue with a rich history, and this year we are celebrating 70 years since the first Canoe Slalom World Championships was held on the famous Tacen course. With over 90 years of history in wildwater sports, canoeing has become one of the most successful sports in Slovenia. This legacy inspires us to invest new energy into this legendary canoe slalom venue, which has hosted numerous World and European Championships, as well as World Cup races.

The Canoe Federation of Slovenia and the Organising Committee are excited to welcome all national teams and athletes to the competition. We hope that the 2025 ICF Canoe Slalom World Cup race held on the canoe slalom course in Tacen will see excellent competition and bring memorable sporting moments for your team.

Andrej Ribič

President of the Canoe Federation of Slovenia
