Dear Lluís,

Please find enclosed a Bid Submission from British Canoeing to host the 2021 ICF Canoe Freestyle Championships at Holme Pierrepont Country Park, Nottingham.

British Canoeing's desire to host world class canoeing events is stronger than ever. International events are at the very heart of our newly developed 2017-21 British Canoeing Strategy. We have ambitious plans for the growth of our sport into the 2020s outlined in our newly developed 2019 - 2028 Major Event Strategy.

The UK has proven success of delivering ICF canoe events and continues to invest in infrastructure and resources to build on experience gained to date. We aspire to work with the ICF and ECA to host competitions on a regular basis.

We are committed to ensuring the event is a great success for both British Canoeing, its stakeholders and the ICF.

We look forward to meeting you and the Committee in Barcelona in a few weeks and then hosting you and the ICF Board in Manchester in March. In the meantime if you have any questions please do not hesitate to contact us.

Kind regards

Gemma Wiggs  
International Affairs Manager
