(For masters, Age group categories beginning from age group 35-39 and increase upwards in 5-year age brackets).

Races will be divided in two days, being one day for all SS1 categories and other day for all SS2, OC-6 and OC-1. Preference will be given to the SS1 category in the window period of conditions. SS2 race will preferably be done after the SS1 race.

In each day, all categories will compete at the same time, with gap start times of 5 to 10 minutes between groups of different categories if needed.

ICF development Camp

The ICF, together with the organizing committee of the 2024 ICF Canoe Ocean Racing world championships, will run a training camp for development of this discipline within the world championships. This camp will happen at the same venue as the world championships, and will be held from 27 September to October 7th. It will include participation in the world championships.

Participants, or their federation, will be responsible for international travel to Madeira Island.

All the rest of the expenses will be covered by the ICF and local OC.

It Includes:

Accommodation and 3 meals per day

Daily local transportation

Boat rental

Coaching

If your National Federation is interested in participating in this ICF development camp, please submit your application to ICF with the name of the candidate(s) and a detailed description of him/her.

There are a limited number of spots available. The ICF ocean racing committee, together with the ICF development staff will select the successful candidates as soon as the deadline for the entries is done.

Applicants need to be competent surf ski paddlers.

Deadline is August 15th. List of the selected participants will be presented 48h after the deadline.

Applications should be sent by email to sebastian.cuattrin@canoeicf.sport and colin.simpkins@canoeicf.com

Course & Venue

ICF Canoe Ocean Racing World Championships will take place in the south of Madeira Island in a downwind 20-29km course.

“Course A” Machico - Funchal 20 km

No other start or finish positions are planned.

All start and finishes are planned to be in water.

Boat Transportation

The local transportation of the boats, from the Headquarters to the start area, will be provided free of charge as it is included in the participation fee. This will be made by independent trailers from the participants transportation.

More information will be provided in the days prior to the race day.

The transportation of the boats to Madeira Island needs to be done by water, using a specific and hired service between the main land (Portugal) and the island.

This service will be provided and is included in the participating fee.

The boats must be delivered at the Portuguese Canoe Federation, in Vila Nova de Gaia, before 10th and 11th of September and can be collected from 30th of September (Monday) at event headquarters (date to be confirmed).

Boats will be travelling inside containers and accommodated in racks to avoid any problems. The organisation will assure the transportation of all boats using this service.

The boats can be collected by each participant, after they are placed in the Headquarters boat racks area.

The return of the boats will happen from the Headquarters. Each participant must place his/her boat in a specific area, to be announced a few days previous to the race day.

The transportation of the boats to the start area for training and actual championship race will be done by trailers.

All participants are requested to secure his/her boat in the trailers available.

Boat Rental:

Boat brands and manufacturers will open rental services for those who prefer to use a rental boat to compete at the world championships.
